

Getting Started Questionnaire

Christian Coaching is more effective and efficient if you can give the coach some information about yourself at the beginning. **This is confidential information, and you are free to skip any of the questions.** The more you complete, however, the better I will know you and be able to provide a valuable coaching experience. Your answers may change as we work together. You can complete this online and **return it by email at least 3 days before our first session** to barbara@clergy lifecoaching.com.
